

SENIOR MEDICAL DIRECTOR

Community Health Choice, Inc. (CHC) is a 135,000 member non-profit Health Maintenance Organization (HMO), located in Houston, Texas. CHC is a part of the Harris County Hospital District (HCHD).

This is a highly visible and challenging opportunity for a Medical Director with significant managed care experience. Individual is responsible for the clinical design and conduct of CHC's Utilization Management, Disease Management, Preventative Medical and Quality Improvement Programs; and chairs CHC's Credentialing and Peer Review Committees. Individual also serves as the public, clinical voice of CHC in the community, and is a primary driver of CHC clinical strategy and advocacy in health care policy activities in the region and state.

The successful candidate will have an MD with Texas licensure, be Board Certified in a primary care specialty, and have a minimum of two years experience as a plan Medical Director. CHC primarily serves Medicaid and CHIP populations. Extensive experience with similar patient populations and a passion for this mission is essential. MBA or MHA preferred.

Competitive salary with comprehensive benefits including paid CME. EOE
